Phone: +91 83360 83717

LANGUAGES: English, Bengali, Hindi

SUMMARY

A results-driven Computer Science undergraduate with a passion for Artificial Intelligence and Machine Learning. Eager to leverage educational and technical expertise to contribute to innovative projects. Skilled in Python, C, Java, and version control tools. Strong problem-solving abilities and a keen interest in data analysis and model development.

TECHNICAL SKILLS

- Programming Languages: Python, C, Java
- Version Control: Git, GitHub
- Data Structures and Algorithms: Arrays, Linked Lists, Stacks, Recursion
- Machine Learning: Model Development, Data Preprocessing

PROFESSIONAL EXPERIENCE

Python Developer Intern, XYZ Company (Jun 2022 - Aug 2022)

- Developed and deployed a web application using Flask, incorporating user authentication and interactive data visualizations.
- Collaborated with a team of developers and data scientists to design and implement a recommendation system, resulting in a 15% increase in user engagement.
- Utilized natural language processing techniques to analyze and classify customer support tickets, improving response efficiency by 20%.

EDUCATION

The Neotia University, Bachelor of Technology in Computer Science (Artificial Intelligence and Machine Learning)

Expected Graduation: 2027 | CGPA: 9.12/10.0 till 3rd semester

Shaw Public School, ICSE & ISC

SKILLS

- Strong problem-solving and analytical abilities

- Proficiency in Python, C, and Java programming
- Experience with web development and Flask framework
- Knowledge of natural language processing and machine learning techniques
- Version control practices with Git and GitHub
- Effective communication and teamwork skills

HOBBIES & INTERESTS

- Singing
- Creative Writing
- Reading Fiction and staying updated with emerging technologies
